The residence rule at WVU can be satisfied in two different ways:
1. At least 90 credits taken in residence
2. The last 30 credits taken in residence

Types of credit that do not meet WVU Residence Include:
- Transfer work of any kind
- Credit by examination
- Advanced placement credit
- International Baccalaureate credit
- High school dual enrollment credit
- Military training

Degree Works will display the residence requirement under two conditions:
1. A student has taken a minimum of 30 credits in residence but has not reached 90 credits in residence
2. A student has taken institutional credit (i.e.: they are not brand new transfer students) but has not taken a minimum of 30 credits

Degree Works will not display the residence requirement under two conditions:
1. A student has 0 institutional hours. (i.e.: they have only transfer hours or only in progress hours)
2. A student has taken 90 credits in residence.

Exceptions
This requirement CANNOT be waived by exception. It must be petitioned through the Dean’s office to the OUR.
0 Hours in Residence

1. Student has 0 institutional hours. There is no rule displaying.
2. Student has 75 credits applied but they are all transfer.
3. Use Class History link to verify hours in residence

NOTE: As soon as a student earns one institutional credit, the residency rule will display on Degree Works.

NOTE: Degree Works does not count In Progress courses as Institutional Credits. They must be graded courses.

Class history link shows that this student has only transfer work. They do not have any institutional hours so Degree Works cannot display a residency rule for them.
Less than 30 Hours in Residence

1. Student has not met either the 90 hours or the 30 hours.
2. Student only has 18 hours applied.
3. Use Class History link to verify hours in residence

Class history link shows that this student has one semester of earned institutional credit and one semester of in progress institutional credit. They do not meet either the 30 or 90 hours rule.
30 Hours in Residence

1. Student has conditionally met last 30 credits in residence.
2. Student has 62 credits applied.
3. Use Class History link to verify hours in residence.

NOTE: If this student transfers in course work next semester, the residency requirement will become unchecked.

Class history link shows that this student currently has at least 30 hours in residence.
1. Student has met 90 credits in residence. There is no rule displaying.
2. Student has 112 credits applied.
3. Use Class History link to verify hours in residence.

Class history link shows that this student currently has no transfer work. They have 112 credits applied so they meet 90 credits in residence.
