Students must have a C- or better in any POL course to be admitted directly to the Political Science program upon transferring to West Virginia University. All Political Science majors must complete a minor in a related area, except for students who choose to complete the Law and Legal Studies Area of Emphasis (AOE).

Students will need to speak to their WVU advisor to apply their POSC 218 (POLS 220) course into their major plan of study once at WVU.

Students completing degrees in WVU's Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study, to the degree allowed within elective hours. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Students may begin completion of a minor by utilizing elective credit to take courses at NRCTC equivalent to minor required courses at WVU.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and New River Community & Technical College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
