General Elective	2	General Elective	2
TOTAL	15	TOTAL	15-16

Students must have a C- or higher in BIOL 115/L, BIOL 117/L, & CHEM 115/L to be admitted into the Biology program upon transferring to West Virginia University.

Students can select from two different Areas of Emphasis (AoE) once at WVU:

- Human Health (15-credit)
- Global Health (16 credits)

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.

The above transfer articulation of credit between West Virginia University and WVU Parkersburg is approved by the Dean, or the Dean's designee, and effective the date of the signature.
