

Responsive Dashboard Student Resource

Office of the University Registrar at West Virginia University

March 2025

What will change?

The Classic version of Degree Works will no longer be available. Students will still have access to the Responsive Dashboard.

- **For Students: The Degree Works (Classic) button will be removed May 23, 2025**

Table of Contents

Ctrl + Click on each topic to
jump to that section:

Student Summary Data

Main differences

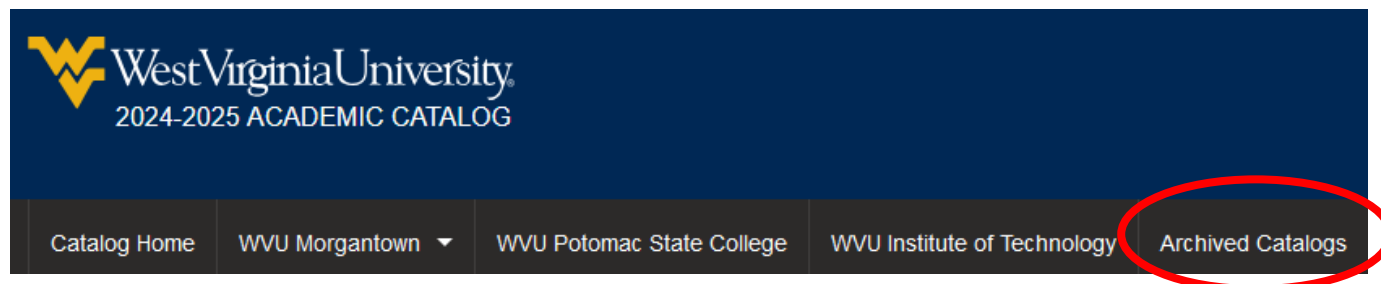

- Where and how the information appears
- Header information only appears if present on the record (e.g. if a minor is not declared, the Minor header won't appear in the box)
- Hyperlinks aren't available in the header, only under external links and mail icon
- The links to specific catalog years and the graduation application are no longer available in the header. It's now necessary to navigate to the external link tab to access the current catalog year and link for the graduation application, more information is provided on the next page.

Student Summary Data External Links

The External Links includes links to the University Catalog, SAP information and the Graduation Application in STAR.

The University Catalog includes Archived Catalogs to select and view previous catalog years

Contacts/Emails

Worksheets

The envelope icon shows the names and email links for the student and advisor

The screenshot shows the 'Worksheets' interface. At the top right, there is a toolbar with a print icon, an envelope icon (highlighted with a red circle), and a three-dot menu icon. A red arrow points from this envelope icon to a 'Contact' modal window. The modal window contains the following information:

- Student Name**
[Hyperlink to student's email](#)
- Advisor**
[Hyperlink to advisor's email](#)

The background interface includes search filters for Student ID, Name, and Degree (Bachelor of Science). It also displays various statistics: Level Undergraduate, Classification Junior, Major Biology, Program Biology BS, College Arts & Sciences, Academic Standing GS - Good Standing, WVU Credits Earned 83, Overall Credits Earned 83, Undergraduate Credits Attempted 83, and SAP Completion Rate 100%. There are tabs for Academic and What-If, and a 'Format Student View' dropdown. A 'Degree' progress indicator shows 83% completion. At the bottom right, there is a 'Collapse all' link.

[Back to Table of Contents](#)

GPA Calculator and Class History

Worksheets

The Three Vertical Dots will bring up options for GPA Calculator and Class History

The screenshot displays the 'Worksheets' interface. At the top, there's a header with the title 'Worksheets' and three icons: a printer, an envelope, and a menu (three vertical dots). Below the header, there are search filters for 'Student ID', 'Name', and 'Degree' (set to 'Bachelor of Science'). There's also an 'Advanced search' section with 'Level' (Undergraduate), 'Classification' (Junior), and 'Major'. Below that, it shows 'WVU Credits Earned 83' and 'Overall Credits Earned 83'. There are tabs for 'Academic' and 'What-If'. A 'Format' dropdown is set to 'Student View'. On the right, it shows 'Academic Standing' as 'GS - Good Standing' and 'Grade' as '100%'. At the bottom right, there's a 'PROCESS' button. A dropdown menu is open from the three vertical dots icon, showing 'GPA Calculator' and 'Class History' options. A red arrow points from the three vertical dots icon in the top right corner of the interface to the same icon in the dropdown menu.

RESET PROCESS

- The What-If Feature is located directly under the Student Header block
- The What-If allows students and advisors to simulate how a student's audit will appear if they were to change their major, or add an additional credential, such as a Minor or Area of Emphasis.
 - The What-If may not display policies or sharing rules that need to be enforced, review information on the [Academic Definitions Tab](#).
- The “Look Ahead” feature in the Classic Dashboard has been combined with the What-if in the Responsive Dashboard, and has been labeled as “Future Classes”

Major Change What-If

The screenshot shows the 'What-If Analysis' form. A red circle highlights the 'What-If' tab in the top navigation bar. A red rectangle outlines the main form area. Red arrows point from the explanatory text on the right to specific parts of the form: one to the 'Catalog year' and 'Program' dropdowns, another to the 'Additional areas of study' dropdown, and a third to the 'PROCESS' button.

Subject Number

☒ Use current curriculum

Future classes

Subject Number

For student's not interested in changing their major but instead want to know how a future course may affect their audit, the Responsive Dashboard can do that.

By checking the 'Use Current Curriculum' button, students can enter a Subject and Course Number. The What-If will take the courses entered and place them into the appropriate places in the audit.

The Future Coursework can also be used in combination with the major change What-If. If the 'Use Current Curriculum' is left unchecked, the Future Coursework is at the bottom of the list.

Plan List

NEW PLAN

Description	Active	Modified ↓	Who	Degree	Level	Status
Fall 2025 (ENTR major w/ FIN & MKTG minors)	Yes	03/05/2025		BSBAD	UG	Locked 
Fall 2023	No	09/13/2024		BSBAD	UG	Locked 
Spring 2025 (ENTR major w/ FIN & MKTG minors)	Yes	09/10/2024		BSBAD	UG	Locked 
Fall 2024 (potential ENTR major and FIN and MKTG minor)	Yes	02/01/2024		BSBAD	UG	Locked 

The layout and features of the Plans landing page is very similar between dashboards. However, the views are now more intuitive. Upon selecting the plan in the Responsive Dashboard, the plan is automatically in edit mode.

[Back to](#)
[Table of Contents](#)

Plans

In the Edit View, the following changes have been made:

The 'Still Needed' and 'Courses' menus from **Classic** moved to the left in the **Responsive Dashboard** and feature the ability to cycle through the menus. Courses listed here feature a drag and drop system too and within Plan terms. Included is a 'Requirements' menu containing the familiar 'Choice', 'Course', 'GPA', and 'Placeholder' for adding courses.

[Back to Table of Contents](#)

The screenshot shows the 'New Requirement' form in the Edit View. The form is titled 'New Requirement' and has a close button (X) in the top right corner. It contains several input fields and a checkbox:

- Requirement type:** A dropdown menu with 'Course' selected.
- Term *:** A dropdown menu.
- Honors:** A checkbox.
- Course requirement:** A search input field with a magnifying glass icon.
- Credits:** A text input field.
- Minimum grade:** A dropdown menu.
- Campus:** A dropdown menu.
- Delivery:** A dropdown menu.

At the bottom right, there are two buttons: 'CANCEL' and 'SAVE'.

In the background, the 'Requirements' menu is visible, showing options: Choice, Course, GPA, and Placeholder. The 'Choice' option is highlighted with a red box, and a red line connects it to the 'New Requirement' form.

Plans

Additional ways to add requirements in the responsive dashboard is via the + button listed at the top and bottom of each term.

Note: The ability to print notes from Plans currently does not exist.

The workaround is to insert a “Placeholder” requirement such as “Comment” into the plan. These comments, these placeholder items, will print on any plan you try to PDF.

[Back to Table of Contents](#)

The screenshot displays the 'Plans' dashboard interface. At the top, there's a 'Last updated:' status bar and navigation links: 'Audit', 'Delete plan', 'Save as copy', and 'Create block'. The main area shows three terms: 'Spring 2019' (Credits: 13.0), 'Fall 2019' (Credits: 12.0), and 'Spring 2020' (Credits: 15.0). Each term has a '+' button to add requirements. A modal titled 'Add requirements to Spring 2019' is open, showing a search bar and a list of courses. The modal includes a 'Subjects' dropdown and a 'Search by title' input. The list of courses is organized by category: 'Sport & Exercise Psychology', 'Principles of Human Movement', and 'Exercise Physiology 1'. Each course entry includes a checkbox, the course ID, the title, and the credits.

Category	Course	Title	Credits
Sport & Exercise Psychology	<input type="checkbox"/> Career Exploration in Physical Activity & Sport Sciences	Career Exploration in PASS	3
	<input type="checkbox"/> Career Exploration in Physical Activity & Sport Sciences	Career Exploration in PASS	3
Principles of Human Movement	<input type="checkbox"/> PET 125	Principles of Human Movement	2
	<input type="checkbox"/> EXPH 364		
Exercise Physiology 1	<input type="checkbox"/> EXPH 365	Exercise Physiology 1	3
