General Elective	3	General Elective	3
General Elective	3	General Elective	3
TOTAL	15	TOTAL	15

**Students are required to take STAT 1350 (STAT 211) to fulfill WVU Criminology degree requirements.

***Students should choose one of the listed course options to satisfy the Criminology program's SOC or ANTH elective requirement.

Students transferring to West Virginia University as part of this Articulation Agreement will be admitted to the Criminology program upon transferring to WVU despite lacking the ANTH 105 requirement, as long as they have a C or higher in SOC 1101 (WVU SOC 101).

Students completing degrees in WVU's Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study, to the degree allowed within elective hours. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Columbus State students may begin completion of certain minors at CSCC by utilizing elective hours to take courses equivalent to the minor's introductory requirements at WVU.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Columbus State Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
