For this agreement, the following substitution will be made:

ECN 256 is equivalent to ECON 201. It will be substituted for ECON 200.

Students who maintain a 2.0 GPA will be directly admitted into the Advertising and Public Relations (ADPR) program upon transferring to West Virginia University. Those students who have below a 2.0 GPA must have a C- or better in ENG 264 (MDIA 215S) to be admitted into the Advertising and Public Relations program within the Reed College of Media upon transferring.

\*Students are required to complete STAT 111 as a College of Media requirement. Students who complete MATH 160 at WCCC, will have completed the WVU equivalent of STAT 211, therefore, the STAT 111 requirement will be fulfilled as well as the Math Requirement at WVU. The student will need to complete an elective to meet the 120-hour WVU requirement.

ADPR majors are required to declare a minor. Students should work with their faculty advisor to complete this task.

ADPR majors are required to pick an area of emphasis in either advertising or public relations (12 hours total-AoE electives=four classes).

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.

The above transfer articulation of credit between West Virginia University and Westmoreland County Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
