Students must have a C- or better in any POL course to be admitted directly to the Political Science program upon transferring to West Virginia University. All Political Science majors must complete a minor in a related area, except for students who choose to complete the Law and Legal Studies Area of Emphasis (AOE).

Students can select from the following Area of Emphasis:

- American Politics and Policy
- Elections & Campaigns,
- International Relations, Comparative Politics, and National Security
- Pre-Law and Legal Studies

Students completing a degree in Political Science are required to work with their advisors to integrate completion of an academic minor into their program of study. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, GEF Focus courses, minors, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.

The above transfer articulation of credit between West Virginia University and Bridge Valley Community and Technical College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
