Students must have a C- or better in any POL course to be admitted directly to the Political Science program upon transferring to West Virginia University. All Political Science majors must complete a minor in a related area, except for students who choose to complete the Law and Legal Studies Area of Emphasis (AOE).

Students pursuing certain AOE's are required to incorporate an academic minor into their course of study. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Students may begin completion of their minor while at CSMD by selecting equivalent courses to fulfill elective and GEF objectives.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, AOE's, minors, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
