Students who maintain a 2.0 GPA will be directly admitted into the Advertising and Public Relations (ADPR) program upon transferring to West Virginia University. Those students who have below a 2.0 GPA must have a C- or better in MDIA 215S (WVU), to be admitted into the ADPR program within the Reed College of Media upon transferring.

*For a two-year, four semester plans of study to be viable, Blue Ridge students must complete MDIA 215S either in the summer session prior to their first semester (if offered) or in their first semester to stay on track. Students can work with their faculty advisor to select another course, if MDIA 215S is completed in the summer.

**Students are required to complete STAT 111 as a College of Media requirement. Students who complete MATH 114 at BRCTC, will have completed the WVU equivalent of STAT 211, therefore, the STAT 111 requirement will be fulfilled as well as the Math Requirement at WVU. The student will need to complete an elective to meet the 120-hour WVU requirement.

For this agreement, students will satisfy the Literature/Creative Writing requirement with either ENGL 204 (ENGL 2TC) or ENGL 208 (ENG 225).

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

ADPR majors are required to declare a minor. Students should work with their faculty advisor to complete this task.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Blue Ridge Community and Technical College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
