Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students interested in applying for veterinary school should utilize agriculture and general electives to take the following courses during year three and four: ANPH 301, PALM 200, GEN 371, ANNU 260, STAT 211, AGBI 410, AEM 341.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and WVU Parkersburg is approved by the Dean, or the Dean’s designee, and effective the date of the signature.
