Students who maintain a 2.0 GPA will be directly admitted into the Advertising and Public Relations (ADPR) program upon transferring to West Virginia University. Those students who have below a 2.0 GPA must have a C- or better in ENGL 212 (MDIA 215S) to be admitted into the ADPR program within the College of Creative Arts and Media upon transferring.

^Students are required to complete STAT 111 as a School of Media and Communications requirement. Students who complete MATH 120 at FCC, will have completed the WVU equivalent of STAT 211, therefore, the STAT 111 requirement will be fulfilled as well as the Math Requirement at WVU. The student will need to complete an elective to meet the 120-hour WVU requirement.

\*\*Students who wish to pursue other foreign language options other than Spanish and French should select other "Humanities Elective" options as FCC. Students will need to use the "Elective" slots to complete their 6-hours of foreign language studies at WVU.

ADPR majors are required to declare a minor. Students should work with their faculty advisor to complete this task.

ADPR majors are required to pick an area of emphasis in either advertising or public relations (12 hours total-AoE electives or four classes).

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
