Students are required to complete PSY 101 (PSYC 101) with a C- or better to be admitted to the Psychology program upon transferring to WVU.

*Students who complete both PSYC 241 & PSYC 242 will earn the combined equivalent to WVU's PSYC 203/L & PSYC 204/L. Students must bring in both courses to earn these.

^^Students will need to complete BIOL 117 & BIOL 117L to complete the Biology sequence required for all BS majors. BIOL 101 & BIOL 102 (BIOL 101/L-102/L = BIOL 115 & BIOL 115L)

Students are required to complete MATH 121 (MATH 155) in pursuit of a Psychology BS degree. Students must complete a minimum of 21 credit of science course.

<http://catalog.wvu.edu/undergraduate/eberlycollegeofartsandsciences/#bachelorofsciencetext>

Students completing degrees from the WVU Eberly College of Arts and Sciences are required to work with their advisors to integrate completion of an academic minor or minors into their programs of study. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. HACC students may begin completion of certain minors at HACC by utilizing *Elective* hours to take courses equivalent to the minor's introductory requirements at WVU.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Harrisburg Area Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
