Students transferring into the Psychology program at West Virginia University must have a C- or better in PSYC 103 (WVU PSYC 101).

\*Students who complete BIOL 101 & BIOL 103L (BIOL 115/115L) can opt to complete the B.S. sequence with BIOL 117/117L during their second semester at WVU or opt to pick a different two course option to complete the B.S. Science requirement.

\*\*Students who are unable to complete the required MATH course equivalent (MATH 150/MATH 155) at NRCTC will need to complete it in their first term at WVU.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and New River Community & Technical College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
