For this agreement, the following substitution will be made:

- ECN 256 is equivalent to ECON 201. It will be substituted for ECON 200.

Students who maintain a 2.0 GPA will be directly admitted into the Journalism program upon transferring to West Virginia University. Those students who have below a 2.0 GPA must have a C- or better in MDIA 215S (online or first term at WVU) to be admitted into the Journalism program within the College of Creative Arts and Media upon transferring.

\*Students are required to complete STAT 111 as a CCAM requirement. Students who complete MTH 160 at WCCC, will have completed the WVU equivalent of STAT 211, therefore, the STAT 111 requirement will be fulfilled as well as the Math Requirement at WVU. The student will need to complete an elective to meet the 120-hour WVU requirement.

\*\*In place of the THREE required, one-hour skills classes listed (ex: JRL 235S, JRL 236S, JRL 237S, JRL 238S, JRL 240S) students in the CCAM at WVU may opt to take ONE three-hour skills class approved by their advisor.

\*\*\*Some JRL Capstones require pre-reqs. Students must let their advisor know if they want to pursue an area of 'Specialization.' For example: If you want to pursue a broadcast/TV track and want to take JRL 487S as your capstone course (WVU News) you must take JRL 335S one semester, followed by JRL 386S the next semester: before the JRL 487S capstone that students take their senior year.

Journalism majors are required to declare a minor. Students should work with their faculty advisor to complete this task.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU. The above transfer articulation of credit between West Virginia University and Westmoreland County Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
