Students who are part of this agreement will be admitted to the Criminology program upon transferring to West Virginia University, so long as they have a C- or better in SO 101 (SOC 101).

*Students are highly encouraged to complete MA 112 (STAT 215) to complete their statistic requirement before transferring to WVU. Both SOC 301 and SOC 311 require students to have completed the statistics course prior to enrolling in those courses.

MA 112 is equivalent to WVU'S STAT 215. It will substitute for the required STAT 211.

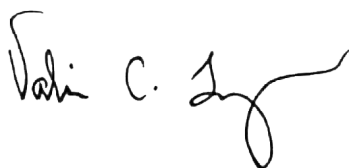

WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Students may begin completion of their minor while at VFMC by selecting equivalent courses to fulfill elective and GEF objectives.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, minors, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
