Students who maintain a 2.0 GPA will be directly admitted into the Advertising and Public Relations (ADPR) program upon transferring to West Virginia University. Those students who have below a 2.0 GPA must have a C- or better in COMM 2300 (MDIA 215S) to be admitted into the ADPR program within the College of Creative Arts and Media upon transferring.

^Students are required to complete STAT 111 as a College of Creative Arts and Media requirement. Students who can complete that requirement at CSMD (MATH 1015) can opt to complete an elective in the listed spot in the WVU years.

**Students who wish to pursue other foreign language options other than Spanish should select other "Humanities Elective" options as CSMD. Students will need to use the "Elective" slots to complete their 6-hours of foreign language studies at WVU.

ADPR majors are required to declare a minor which will cover the nine credits of Focus course work. Students should work with their faculty advisor to complete this task.

ADPR majors are required to pick an area of emphasis in either advertising or public relations (12 hours total-AoE electives=four classes).

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
