Students must have completed PSY 101 (WVU PSYC 101) with a C- or better, to be admitted directly into the Psychology program at West Virginia University.

*Although ENG 101 & 102 are not equivalent to West Virginia University's ENGL 101 & 102, they will be accepted by West Virginia University to satisfy the GEF 1 requirement per the WV HEPC Core Coursework Agreement.

Students completing degrees in WVU's Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study, to the degree allowed within elective hours. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. WVNCC students may begin completion of certain minors at WVNCC by utilizing *Elective* hours to take courses equivalent to the minor's introductory requirements at WVU.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, GEF Focus courses, minors, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.

The above transfer articulation of credit between West Virginia University and WV Northern Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
