Students must have a 2.0 GPA in HIS courses to be admitted directly into the History program upon transferring to West Virginia University.

*Students will fulfill the West Virginia University History program's Introductory History Course requirements. Only three are required, the additional course will go towards required electives.

Students are required to complete proficiency of four semesters worth of the same foreign language to fulfill the Bachelor of Arts requirements at WVU. It is recommended that students begin this requirement at Columbus State Community College through successful completion of Foreign Language courses at the 1101 and 1102 levels. Students who choose not to do so or wish to complete a foreign language not offered at CSCC, will need to utilize *Elective* credit at WVU to do so.

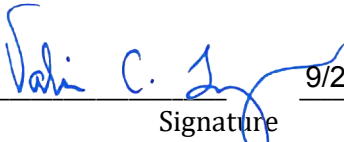

WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Columbus State students may begin completion of certain minors at CSCC by utilizing Elective hours to take courses equivalent to the minor's introductory requirements at WVU.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Columbus State Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
