This transfer pathway indicates one way to earn an Associate of Arts degree which must total at least 60 semester credits and includes 36 Ohio Transfer 36 (OT36, formerly OTM) credits which are approved Tri-C general education requirements. OT36 details can be found at <https://www.ohiohighered.org/Ohio-Transfer-36>. Students should work closely with advisors at both institutions to discuss options.

Students must complete all A.A.S requirements prior to graduating from Potomac with their B.A.S. In the above agreement, students transferring from Tri-C will need to complete the following during their time at Potomac State:

- Any four (4) Lower Level Major Electives that were not taken at their original institution
  - Select from: CJ 111, CJ 204, CJ 206, CJ 233, CJ 236, CJ 245, CJ 255, or CJ 295

For this agreement, Potomac State College has agreed to the following:

Courses listed may be taken at any point during a student’s progression toward this degree. Students can substitute online upper-level elective courses to complete those lower-level requirements. Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions (304-293-2121).
