Student must complete all Criminal Justice courses with a minimum grade of a C for those courses to be accepted as degree requirements.

Students completing degrees in WVUIT's School of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study, to the degree allowed within elective hours. WVUIT offers minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills.

See <http://catalog.wvu.edu/westvirginiauniversityinstituteoftechnology/minors/#minorsofferedtext> for a list of available minors. Students may begin completion of certain minors during their first two years by utilizing *Elective* hours to take courses equivalent to the minor's introductory requirements at WVUIT.

Students who have questions about admission into their intended program, GEF requirements, GEF Focus courses, minors, or any other issue relating to academics at West Virginia University Institute of Technology should contact the Registrar's Office or their intended department of study at WVUIT.
