\*\*Students who complete BSCI 150 (BIOL 115/L) can opt to complete the B.S. sequence with BIOL 117/L during their second semester at WVU or opted to pick a different two course option to complete the B.S. Science requirement.

Students must complete PSYC 101 with a C- or better to be admitted to the Psychology program upon transferring to West Virginia University.

WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Frederick Community College students may begin completion of certain minors at FCC by utilizing Elective hours to take courses equivalent to the minor's introductory requirements at WVU.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

The above transfer articulation of credit between West Virginia University and Frederick Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
