POLS 220: State and Local Government (GEF 8)	3		
General Elective	3		
General Elective	3		
TOTAL	15	TOTAL	15

*SOC 161 (WVU SOC 211) would satisfy a program Social Science program requirement. It would be in the student's best interest to select that option. Otherwise, students will need to complete that required at WVU.

Writing and Communication Skills Requirement: Social Work BSW students fulfill the Writing and Communication Skills requirement by completing ENGL 101 and ENGL 102 (or ENGL 103), and two additional SpeakWrite Certified Courses™: SOWK 320 and SOWK 481.

Unlike the other articulated plan of study to the WVU majors, which are Associate of Arts degrees, this is an Associate of Applied Science. AAS degrees do not satisfy the General Education Foundation requirements at WVU as AA or AS degrees do. Therefore, as indicated in the final two years curriculum, students should work with their advisor to ensure the completion of this requirement. See catalog.

Students are required to complete 50-hours* of service hours prior to completing the application (*this has been reduced due to the COVID-19 pandemic). This should be done in coordination with the WVU SOWK department. Students who complete SWK 258 course, will have satisfied this requirement and will need to just complete the appropriate paperwork.

Transfer students, including 2+2 students, who wish to enter the social work major must contact WVU's Office of Admissions and the B.S.W. Program Coordinator no later than the semester before you intend to matriculate to WVU. For entry to the B.S.W. program, students must meet all requirements that apply to major status. Students who plan to matriculate to WVU in the fall semester at the professional social work major level should contact WVU's Office of Admissions the prior December and complete the application to the B.S.W. program for admission at the professional social work major level in January.

Upper-division social work courses taken at other institutions do not automatically transfer to WVU and meet the program's requirements. To gain approval for these courses students must have earned a B or higher in the course(s) and must submit course syllabi and other appropriate course materials to Dr. Megan Gandy the B.S.W. program director. Courses that are not approved count as electives. The lower-division social work courses taught on 2+2 campuses have received approval via the formal agreement with the program.

For the application, students:

Students planning to enter the Social Work program must meeting the following guidelines:

- Must have earned a final grade of C- or higher in SOWK 147 and SOWK 151.
- Must complete 50* hours volunteer service. (*reduced due to the COVID-19 pandemic)
- Must submit a personal statement and a reference from academic or volunteer service individual.
- Must have earned a minimum overall GPA of 2.50 GPA (will consider lower than this on a case-by-case basis). (Students must maintain a 2.0 GPA overall after admission to the professional major).

Students completing degrees in WVU's Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study, to the degree allowed within elective hours. WVU offers over 100 minors that complement.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU. Students transferring in with an Applied Associate of Science (AAS) will have to complete all outstanding GEF course prior to graduation.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Westmoreland County Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
