Students must have a GPA of 2.0 in all ENGL courses to be admitted to the English program upon transferring to West Virginia University.

*Depending on the student's selection to complete the "Literature" and "Literature/Humanities/Fine Arts" requirement(s), the course may satisfy one of the identified programmatic requirements. Students are encouraged to consult with advisors within the WVU English Department or the Eberly College Undergraduate Affairs Office. Any completed requirements would be replaced by General Elective hours to meet

**Students need to choose 3 of the 4 listed literature options to satisfy the English program's Historical Breadth requirement: ENGL 241, ENGL 242, ENGL 261, and ENGL 262. Any additional courses completed will go towards the General Elective requirement.

Students completing degrees in WVU's Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study, to the degree allowed within elective hours. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Eastern WV students may begin completion of certain minors at Eastern West Virginia Community and Technical College by utilizing *Elective* hours to take courses equivalent to the minor's introductory requirements at WVU.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Eastern West Virginia Community and Technical College is approved by the Dean, or the Dean's designee, and effective the date of the signature.
