Requirements for CDFS Online Majors

- Earn a C- or better in all CDFS, ECSE, or SPED coursework.
- Comply with field and major professional and dispositional standards.
- Enter with a 2.0 overall GPA.

Field Placement Requirements:

- CDFS 491A requires 120-hour field placement.
- CDFS 491 requires 240-hour field placement.

Note: Students must earn grades of C- or better in all courses with the CDFS course designator required in the major and associated areas of emphasis. If a student's overall GPA drops below 2.0, they may be subject to academic probation and potentially dismissal from the program.

Students need to select two (2) from the following to satisfy the Business of Childcare and Education requirement: CDFS 420, CDFS 421, CDFS 422, CDFS 423, BCOR 350 or BCOR 370.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU. However, this agreement is an A.A.S. degree which does not satisfy the GEF requirement. Students will need to work with their faculty advisor to complete the remaining GEF during their time at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Hocking College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
