

## West Virginia University Course Overload Petition (Graduate)

<p>This form is required for graduate students who are requesting to register for more than 17 credit hours during the Fall/Spring term. No overload requests will be considered for the Summer term. This form must be completed by the student with a recommendation by his/her advisor and approval from the Assistant/Associate Dean. All course overload requests must also be approved by the Associate Provost for Graduate Academic Affairs. Students enrolled in more than one degree program need approval from all advisors.</p>
