PSYC 302 & PSYC 302L	4	PSYC Cluster A/B	3
B.S. Science Area Course <sup>(3-1)</sup>	4	B.S. Science Area Course <sup>(3-2)</sup>	4
Elective or Minor Course (4)	3	Upper-Level PSYC Elective (2)	3
		Elective or Minor Course (5)	3
<b>TOTAL</b>	15	<b>TOTAL</b>	16

Students transferring into the Psychology program at West Virginia University must have a C- or better in PSYC 103 (WVU PSYC 101).

\*Students who complete BIOL 101 & BIOL 103L (BIOL 115/115L) can opt to complete the B.S. sequence with BIOL 117/117L during their second semester at WVU or opt to pick a different two course option to complete the B.S. Science requirement.

\*\*Students who are unable to complete the require MATH course equivalent (MATH 150/MATH 155) at NRCTC will need to complete it in their first term at WVU.

Students completing degrees in WVU's Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study, to the degree allowed within elective hours. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Students may begin completion of a minor by utilizing elective credit to take courses at NRCTC equivalent to minor required courses at WVU.

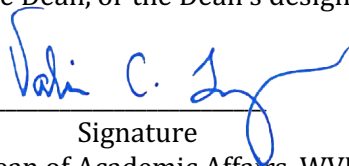

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and New River Community & Technical College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
