Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

The Environmental, Soil and Water Sciences major requires students to choose one of two Areas of Emphasis (AOE): Environmental Assessment and Reclamation or Soil and Water Sciences. Students choosing Soil and Water Sciences will need to complete two additional AOE designated courses.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Allegany College of Maryland, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
