*Students are encouraged to complete the MATH requirement at HACC (MATH 121 = MATH 155). If not possible, students will need to complete the required MATH course (MATH 126 or MATH 150) at WVU. Students can replace the course with a General Elective if they complete the MATH requirement prior to transferring.

AEM 470 and AEM 401 will be offered on rotating years. The student will work with their faculty advisor to ensure requirements are completed.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Harrisburg Area Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
