Students transferring to West Virginia University under this Articulation Agreement will be accepted into the Anthropology program despite lacking the ANTH 105 requirement.

\*MATH 114 (STAT 211) may be applied to the Sub-Field Enrichment requirement for the major.

\*\*Students who choose Spanish or German as their foreign language will only need to complete the 203 and 204 sections at WVU. If a student wishes to select another foreign language, they will need to utilize "General Elective" spots.

Students transferring to West Virginia University with a completed Associate of Arts or Associate of Science degree, will have satisfied the General Education Foundation requirements at WVU.

Students completing degrees in WVU's Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study, to the degree allowed within elective hours. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Blue Ridge students may begin completion of certain minors at BRCTC by utilizing *Elective* hours to take courses equivalent to the minor's introductory requirements at WVU.

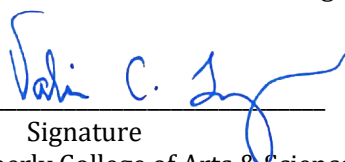

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Blue Ridge Community and Technical, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
