\*MATH 175 (WVU's MATH 150) is required for Environmental & Energy Resources Management.

ARE 491's summer internship is one of three options available to complete the Agribusiness Management Capstone requirement. Although it is the most pursued option, students may forgo this summer session and complete the requirement via study abroad or thesis composition. Students are encouraged to work with their advisor to select the option that best suits their academic needs and interests.

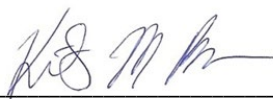

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Frederick Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
