SOWK 491 ^(Professional Field Experience; EDG 6)	6	EDG 4: Global and Regional Perspectives	3
TOTAL	15	TOTAL	15

Students will complete their EDG 3 requirement by completing HSRV 101 (SOWK 151).

Students transferring to West Virginia University with an Associate of Arts, Associate of Science or Associate of Applied Science degree will have satisfied the General Education Foundation (GEF) requirements at WVU.

Students are required to complete 50 hours of service prior to completing the application. This should be done in coordination with the WVU SOWK department. Students who complete *HSRV 220 courses will have satisfied this requirement and will need to just complete the appropriate paperwork.

Transfer students, including 2+2 students, who wish to enter the social work major must contact WVU's Office of Admissions and the B.S.W. Program Coordinator no later than the semester before you intend to matriculate to WVU. For entry to the B.S.W. program, students must meet all requirements that apply to major status. Students, who plan to matriculate to WVU in the fall semester at the professional social work major level should contact WVU's Office of Admissions the prior December and complete the application to the B.S.W. program for admission at the professional social work major level in January.

Upper-division social work courses taken at other institutions do not automatically transfer to WVU and meet the program's requirements. To gain approval for these courses students must have earned a B or higher in the course(s) and must submit course syllabi and other appropriate course materials to Dr. Megan Gandy the B.S.W. program director. Courses that are not approved count as electives. The lower-division social work courses taught on 2+2 campuses have received approval via the formal agreement with the program.

For the application, students:

Students planning to enter the Social Work program must meet the following guidelines:

- must have earned a final grade of C- or higher in SOWK 147 and 151.
- must complete 50 hours of volunteer service. This should be done in coordination with the WVU SOWK department. Students who complete HSRV 220 courses will have satisfied this requirement and will need to just complete the appropriate paperwork.
- must submit a personal statement and a reference from academic or volunteer service individuals.
- have earned a minimum overall GPA of at least 2.00 (Students must maintain a 2.0 GPA overall after admission to the professional major).

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed at the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Blue Ridge Community and Technical College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
