Students are required to complete PSY 105 (WVU PSYC 105) with a C- or better to be admitted to the Psychology program upon transferring to WVU.

For this agreement, PSYC 234 will be utilized as a substitute for COUN 240.

Students who transfer from another institution with 60 or more credits or who transfer from another WVU college with 60 or more WVU credits are eligible to take ARSC 360 instead of the 4 courses that comprise Eberly Edge 1-4. Students can request a permit by filling out the Eberly Edge Transfer Permit Request form. (This form will be available in the fall of 2026 for registration for spring 2027).

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, minors, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.

The above transfer articulation of credit between West Virginia University and Lackawanna College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
