Students must have a C- or higher in CHM 111 & 112 (CHEM 115 & 116) in order to be admitted directly into the Chemistry program upon transferring to West Virginia University.

Students completing degrees from the WVU Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See

<http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors.

Allegheny College of Maryland students may begin completion of certain minors at ACM by utilizing elective hours to take courses equivalent to the minor's introductory requirements at WVU.

Students transferring to West Virginia University with a completed associate degree, will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Allegheny College of Maryland, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
