Major Elective	3	Major Elective	3
Major Elective	3	Major Elective	3
General Elective	3	General Elective	3
TOTAL	15	TOTAL	15

Course sequence may change based on the individual needs of the student and schedule type required.

New college students may be required during their first semester to participate in GEN 1070, First Year Success Seminar, a one credit hour course. See a Tri-C Counselor for details.

*This represents an example of suggested courses to complete the Associate of Arts to continue for a bachelor's degree, which must total at least 60 semester credits and includes 36 Ohio Transfer 36 (OT36, formerly OTM) credits which are approved Tri-C general education requirements. OT36 details can be found at <https://www.ohiohighered.org/Ohio-Transfer-36>. Students should work closely with advisors at both institutions to discuss options.

Students are not required to take MATH 1530 (MATH 126 WVU) unless they do not place directly into MATH 1480 at Tri-C. MATH 1480 is ultimately required for competition of the associate degree.

Students need to complete only MATH 1530 (MATH 126) for some majors in the Chambers College of Business and Economics. Students will need to complete MATH 1480 (MATH 150) with a C- or higher only if pursuing one of these majors: Economics, Finance, Supply Chain Management, and Management Information Systems.

^ Students must take Arts & Humanities courses from two different disciplines.

Although not directly equivalent to WVU's ACCT 201 and ACCT 201, Tri-C's ACCT 1311 and ACCT 1341 will be utilized as substitution for WVU's Financial and Managerial Accounting requirements.

To be admitted to the John Chambers College of Business and Economics, students must have an overall GPA of 2.25. Students must also complete the following College of Business and Economics prerequisite courses with a minimum grade of C- or better:

- ACCT 1311 & ACCT 1341
- ECON 2000 & ECON 2010
- ENGL 1010 & ENGL 1020
- MATH 1480 & MATH 1530 (if necessary)
- IT 1090
- MATH 1490

Students completing this proposed pathway may choose to major within one of the following John Chambers College of Business and Economics: Accounting; Economics; Entrepreneurship and Innovation; Finance; General Business; Hospitality & Tourism; Human Resource Management; Management Information Systems; or Marketing; or Supply Chain Management.

Additional criteria for admissions must also be met for specific programs, see below course or equivalent course requirements:

- Accounting: A grade of B- or higher in ACCT 1311 & 1341; A minimum grade of C- in MATH 1480.
- Economics: One B- or higher, and one C- or higher in ECON 2000 & 2010; A minimum grade of C- in MATH 1480.
- Entrepreneurship and Innovation: minimum grade of D- in MATH 1480.
- Finance: A grade of B- or higher in ECON 2000 & 2010; A minimum grade of C- in MATH 1480.
- General Business: minimum grade of D- in MATH 1480.
- Hospitality & Tourism: minimum grade of D- in MATH 1480.
- Human Resource Management: minimum grade of D- in MATH 1480.
- Management Information System: minimum grade of C- in MATH 1480.
- Marketing: minimum grade of D- in MATH 1480.
- Supply Chain Management: A minimum grade of C- in MATH 1480.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions (304-293-2121).

The above transfer articulation of credit between West Virginia University and Cuyahoga Community College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
