*Collectively, the BIOL 1TC credits for Zoology and Field Biology I can be substituted for 4 hrs. of BIOL 102/104 General Biology required by WVU for the BSWFR degree.

**Hocking College students need to complete 2 or more hours of NRM 2600 Natural Resources Practicum & Seminar in order to fulfill the WMAN 491 Professional Field Experience Requirement for the BSWFR degree. Students that only complete 1 credit hour of NRM 2600 will need to enroll in WMAN 491 for Year Three, Summer Semester.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU. As this is an AAS, students will need to complete the General Education Foundation (GEF) courses in their time at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Hocking College is approved by the Dean, or the Dean's designee, and effective the date of the signature.
