\*Courses listed in this term may be taken at any point during a student's progression to toward this degree. This includes during the summer transitioning between Blue Ridge Community and Technical College and West Virginia University. Students should consult with academic advising to determine when completion of these course is best suited for them.

Unlike the other articulated plan of study to the WVU majors, which are Associate of Arts degrees, this is an Associate of Applied Science. AAS degrees do not satisfy the General Education Foundation requirements at WVU as AA or AS degrees do. Therefore, as indicated in the final two years curriculum, students should work with their advisor to ensure the completion of this requirement. See [catalog](#)

Students are required to complete 100-hours of service hours prior to completing the application. This should be done in coordination with the WVU SOWK department. Students who complete HSRV 220 course will have satisfied this requirement and will need to just complete the appropriate paperwork.

Transfer students, including 2+2 students, who wish to enter the social work major must contact WVU's Office of Admissions and the B.S.W. Program Coordinator no later than the semester before you intend to matriculate to WVU. For entry to the B.S.W. program, students must meet all requirements that apply to major status. Students, who plan to matriculate to WVU in the fall semester at the professional social work major level should contact WVU's Office of Admissions the prior December and complete the application to the B.S.W. program for admission at the professional social work major level in January.

Upper-division social work courses taken at other institutions do not automatically transfer to WVU and meet the program's requirements. To gain approval for these courses students must have earned a B or higher in the course(s) and must submit course syllabi and other appropriate course materials to Dr. Megan Gandy the B.S.W. program director. Courses that are not approved count as electives. The lower-division social work courses taught on 2+2 campuses have received approval via the formal agreement with the program.

## Human Services (Social Work) AAS to Social Work BSW

For the application, students:

Students planning to enter the Social Work program must meeting the following guidelines:

- must have earned a final grade of C- or higher in SOWK 147 and 151.
- must complete 100 hours volunteer service.
- must submit a personal statement and a reference from academic or volunteer service individual.
- have earned a minimum overall GPA of 2.50 GPA. (Students must maintain a 2.0 GPA overall after admission to the professional major).

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Blue Ridge Community and Technical College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
