*Courses marked may be taken at any point, including summer sessions or via equivalents at Garrett College to reduce course load in final semesters.

- SOWK 151 can be completed at Garrett with SWK 270
- SOWK 147 can be completed at Garrett with SOC 225
- ENGL 102 can be completed at Garrett with ENG 102

^^ Students must have completed SOWK 147 and SOWK 151 with a C or higher and have a 2.0 GPA or higher. Students are required to complete 50-hours of service hours prior to completing the application in addition to SOWK 147 & SOWK 151. This should be done in coordination with the WVU SOWK department. Students who complete PSY 294 course will have satisfied this requirement and will need to just complete the appropriate paperwork.

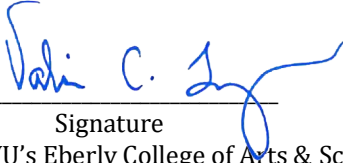

Garrett’s Addictions Counseling major is an Associate of Applied Science (AAS) degree which does not satisfy the General Education Foundation requirements at WVU as AA or AS degrees do. Therefore, as indicated in the final two years curriculum, students should work with their advisor to ensure the completion of this requirement.

Students who have questions regarding this articulation agreement, or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

Transfer students, including 2+2 students, who wish to enter the social work major must contact WVU’s Office of Admissions and the B.S.W. Program Coordinator no later than the semester before you intend to matriculate to WVU. For entry to the B.S.W. program, students must meet all requirements that apply to major status. Students, who plan to matriculate to WVU in the fall semester at the professional social work major level should contact WVU’s Office of Admissions the prior December and complete the application to the B.S.W. program for admission at the professional social work major level in January.

Upper-division social work courses taken at other institutions do not automatically transfer to WVU and meet the program’s requirements. To gain approval for these courses students must have earned a B or higher in the course(s) and must submit course syllabi and other appropriate course materials to Dr. Megan Gandy the B.S.W. program director. Courses that are not approved count as electives. The lower-division social work courses taught on 2+2 campuses have received approval via the formal agreement with the program.

The above transfer articulation of credit between West Virginia University and Garrett College, is approved by the Dean, or the Dean’s designee, and effective the date of the signature.
