The School of Nursing offers in-state tuition for all students enrolled in the RN-BSN program, regardless of residency. All registered nurses will transfer 50 hours of undifferentiated nursing credit based on RN licensure.

Advisors will work with students to identify courses already appearing on the transcript that meet GEF requirements and develop a plan to fulfill any remaining requirements. RN to BSN general education requirements, including ENGL 101 (ENG-1010), ENGL 102 (ENG-1020), and STAT 211 (MTH-1015).

Students receiving federal financial aid should work with their academic advisor to meet requirements for renewal, which often includes a minimum of twelve degree-pursuant hours.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and College of Southern Maryland, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
